portantly, in support of life, an unalienable right endowed by our Creator.

For over 40 years, Democrats and Republicans have come together to include the commonsense prohibition on taxpayer-funded abortions, better known as the Hyde amendment.

President Biden himself was a vocal backer of the Hyde amendment during his decades in the Senate.

Because of Hyde, 2.5 million lives have been saved and afforded the chance to reach their God-given potential.

Yet, as we stand here today, House Democrats are advancing an annual funding bill that shockingly abandons the longstanding Hyde amendment.

It shouldn't be controversial to spare precious babies and give taxpayers the assurance that their hard-earned money is not used for abortions.

Therefore, Mr. Speaker, I ask unanimous consent that the Committees on Energy and Commerce, Ways and Means, and the Judiciary be discharged from further consideration of H.R. 18, and ask for its immediate consideration in the House.

The SPEAKER pro tempore. Under guidelines consistently issued by successive Speakers, as recorded in section 956 of the House Rules and Manual, the Chair is constrained not to entertain the request unless it has been cleared by the bipartisan floor and committee leaderships.

## SAVE OAK FLAT

(Ms. LEGER FERNANDEZ asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. LEGER FERNANDEZ. Mr. Speaker, I rise today to save Oak Flat. Oak Flat is a sacred land for the San Carlos Apache Tribe, a land deserving of protection under our Historic Preservation Act.

The Resolution Copper Mine, a Chinese company, will completely destroy the sacred area and leave behind 1.4 billion tons of mine tailings waste and create a crater 1.8 miles long and 1,000 feet deep.

We have to ask ourselves, will we allow a foreign-owned mining company to create such destruction? Will we allow them to devastate a sacred land so they can export American natural resources to China for their profit?

No. This project would use enormous amounts of water and will produce toxic waste that will destroy ecosystems in the area and change the landscape forever.

We must stand against foreign companies destroying traditional cultural landscapes. We should not grant China this competitive edge.

I urge my colleagues to support H.R. 1884, the Save Oak Flat Act, so we can protect this Tribal sacred area.

## REMOVAL OF NAME OF MEMBER AS COSPONSOR OF H. RES. 289

Mr. NORCROSS. Mr. Speaker, I ask unanimous consent that Representative OBERNOLTE's name be withdrawn as a cosponsor of H. Res. 289.

The SPEAKER pro tempore (Mr. CARTER of Louisiana). Is there objection to the request of the gentleman from New Jersey?

There was no objection.

## ALLOW MEDICARE TO NEGOTIATE DRUG PRICES

(Ms. WILD asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. WILD. Mr. Speaker, we hear a lot of talk about the soaring costs of prescription drugs, but we seldom hear about the sad fact that Medicare is not allowed to negotiate prescription drug prices.

Earlier this month, drug companies announced yet another painful price hike on critical medications. The soaring price of prescription drugs is crushing Americans at the pharmacy counter, driving up health insurance premiums and creating unaffordable costs for taxpayers, who finance Medicare. That is right. We, the people, fund Medicare. Yet, due to an antiquated law, Medicare has to pay drug prices without the right to negotiate.

That is why, last week, I led a group of my colleagues in sending a letter to leadership, demanding that Medicare negotiation of drug prices be included in the upcoming reconciliation bill.

This is common sense, and it is long overdue.

According to the CBO, allowing Medicare to negotiate drug prices would save American taxpayers \$456 billion in just the first 10 years alone, with those savings heading right back into the pockets of American families. And it would bring down drug prices for all Americans, not just Medicare recipients. Together, we can get this done.

## REQUEST TO CONSIDER H.R. 18, NO TAXPAYER FUNDING FOR ABOR- TION ACT
